Allamagan Anod

Burnsville, MN ▪ Allamagan.anod@gmail.com ▪ 612-578-3065

OBJECTIVE

To obtain an internship in the software industry that expands on my knowledge of computer science academically and gives me the opportunity to apply those skills in practical settings, all while I contribute with integrity and dedication to the success and growth of your organization.

EDUCATION

University of Minnesota   Minneapolis, MN
Bachelor of Sciences: Computer Science   Graduation Expected: Dec 2024
Relevant Coursework: Algorithms & Data Structures, Machine Architecture & Organization, Discrete Structures, Intro to Python, Intro to Java, Intro to Statistics and Calculus 1 & 2

TECHNICAL SKILLS

Intermediate in **Python**, Beginner in **Java** and Intermediate in **SQL**

PROJECT EXPERIENCE

Calculator Program | Java   Jun 2023
- Designed and implemented a basic Java terminal calculator, enabling users to perform essential arithmetic operations while ensuring accuracy through input validation.
- Utilized object-oriented principles to create organized code with encapsulated methods for arithmetic operations. Employed control structures, error handling, and a text-based user interface to ensure robust functionality and user-friendliness.

Tic-Tac-Toe | Python   Jan 2023
- Developed a command-line-based Tic-Tac-Toe game in Python, allowing two players to engage in classic matches.
- Employed data structures, functions, control structures, error handling, user interaction design, modularity, and thorough testing.

LEADERSHIP EXPERIENCE

High School Tutor   Burnsville, MN
Tutor   Sep 2022 – Present
- Conduct sessions which implement effective study strategies and improve the academic performance for over 30 students
- Provide personalized one-on-one guidance in college applications, achieving 100 percent admission rates for students
- Design and conduct 3 career workshops which introduces students to variety of college majors and careers

EMPLOYMENT

Securitas   Bloomington, MN
Security Guard   Nov 2022 – Present
- Currently detecting and preventing security breaches, ensuring the safety of both personnel and assets at the location
- Conducting thorough risk assessment of the corporate site in order to reduce future incident and breaches
- Collaborating with local law enforcement agencies to facilitate swift and effective responses to incidents

Nobility Homecare   Apple Valley, MN
Personal Care Assistant   Jan 2020 – Aug 2022
- Provided round-the-clock personal care and support to enhance the daily living experience of the patient
- Assisted with the mobility, hygiene, and the medical needs of the patient, while fostering a supportive environment
- Accompanied the patient to routine medical check-ups and updated the medical provider of any complications

VOLUNTEER WORK

Abbott Northwestern Hospital   Minneapolis, MN
Student Volunteer   Jan 2020 – May 2020
- Supported healthcare professionals and comforted patients during the height of COVID-19 pandemic
- Restored essential medical inventory, conducted visitor temperature checks, and oversaw sanitation stations

SKILLS

Language skills: English and Somali (Intermediate fluency)
Soft Skills: Exceptional organizational abilities, adept problem solver, remarkable adaptability, unwavering dedication, effective communicator, and rapid learner
