WORK EXPERIENCE

Listen Up! Youth Radio | Twin Cities, MN
SMI & YMC Program Manager

August 2022 - September 2023

- Led a group of Summer Media Intensive and Youth Media Collective members who produce, edit, and collaborate on contracted podcast called YouthSoup that is aired bi-weekly on the Alive Podcast Network
- Plan and communicate with local media-based organizations for partnerships and workshop opportunities
- Organize and plan interactive educational lessons on media and podcasting for youth

Adams Spanish Immersion School | Saint Paul, MN
5th Grade Math Teacher Assistant

October 2021 - April 2022

- Collaborated with teachers to help them identify instructional needs for students and developed best practices to foster academic growth for students needing additional bi-lingual support
- Facilitated small group activities to reinforce mathematical concepts and problem-solving techniques, ensuring active student engagement and comprehension
- Reviewed weekly curriculum outline and helped create a visual based math lesson plan for visual learners

OneNet Global | Edina, MN
Marketing Intern

June 2021 - August 2021

- Utilized data analysis skills to initiate market research studies, contributing to business insights
- Managed social media content creation and marketing materials using Adobe Illustrator and Photoshop
- Demonstrated fast-paced work capabilities through simultaneous management of ad campaigns and project proposal templates

LEADERSHIP EXPERIENCES

Latinx Student Union | Macalester College
Graphic Designer & Publicity

January 2022 - May 2023

- Used Illustrator and Canva to create graphics and posters to promote events; managed social media posting schedule.
- Worked with a team of 8 to plan broader community events for Hispanic Heritage Month
